**Bolivia (Dist. 4690)/Oklahoma (Dist. 5750)**
**2008-2009 Group Study Exchange**

The District GSE Inbound Committee is in the process of putting together the schedule for the visiting team from Bolivia, District 4690. They are scheduled to be in our district approximately from **April 4. 2009 to May 3, 2009.** There will be four team members and one team leader. Because of Rotary Foundation guidelines it is necessary that we have a complete and final schedule of their visit soon. In order to be able to accomplish this we must start planning the visit. I am therefore contacting you to determine if your club would like to participate this year with the visit and if so, to what extent you would like to participate. Please complete this form and return it to the following ***no later than September 15, 2008.*** If your club does not intend to participate, please send me confirmation of this so I do not duplicate work later on with the follow-up letters. Because of limited time for the visit (4 weeks), the sooner you respond to this request the better chance your club has to host the Brazil GSE team.
